IMPORTANT

The limits on campaign contributions do not apply to loans or contributions made by a candidate from his or her own personal funds to the campaign, or to personal loans made by financial institutions to the candidate and applied to his or her campaign. Any loans made by a candidate to his or her campaign and any loans made by a financial institution to a candidate and applied to his or her campaign shall be reported in Section 11.

If a candidate desires to use or raise campaign funds to repay himself or herself for personal funds that he or she contributed to the campaign, then he or she would need to report those personal funds as a loan in Section 11.

If a candidate does not desire to use or raise campaign funds to repay himself or herself for personal funds that he or she contributed to the campaign, then those personal funds would not be reported in Section 11. Instead, they would be reported as a campaign contribution either in Section 15 or on line 17, depending upon the amount.
